The Office of Educator Effectiveness and Leadership Development is gathering information regarding the implementation of Student Learning Objectives (SLOs). They are interested in principals' and teachers' experiences concerning the role of student growth, SLOs, and observation data within the Expanded ADEPT teacher evaluation system. Access the survey at <http://www.surveygizmo.com/s3/4138631/SCDE-Expanded-ADEPT-and-PADEPP-Survey-2018>

Please take this opportunity to make your educator voice heard!

Do you have questions about the end of TERI?

A new episode of pebapodcast focuses on the approaching June 30 closure of the TERI program. Listen to hear PEBA Field Services staff member Paul Graham explain what participants need to know about ending TERI. He also covers state and federal requirements for transferring the member's accumulated benefit.
