

Online Programs for Educators

M.Ed. in Administration and Supervision

Designed for educators who plan to become principals at the building level and supervisors at the building and district level. Leads to advanced certification in SC.

M.Ed. in Classroom Leadership

Designed for advanced professional development for educators. Earn the Teacher Leader Endorsement the option of earning credits towards a second endorsement (see list below).

Ed.D. in Curriculum and Assessment

Designed for professionals aspiring to be assessment and institutional effectiveness experts. For careers in public and private K-12, technical colleges, four-year universities, and nonprofit professions.

Teacher Endorsement Courses

Graduate education courses can lead to an add-on endorsement such as SC Read to Succeed Literacy, Learning Disabilities, Gifted and Talented, and Early Childhood Special Education.

Project Read

State-funded grant to provide language arts staff development to K-5 and special service teachers of all grades in South Carolina. Tuition, books, and materials funded by the grant.

SC CREATE

Through SC CREATE funding, SWU offers coursework for add-on licensure in learning disabilities and intellectual disabilities.
